

# How To Make The Course Flow Well

# Natural Logical Progression

- But first, something great in the beginning
- The logical flow of expanded learning
- For example, this course
- Early, it excites about selling & potential
- What's after that excitement?

# Few Good Options?

- Should I talk about video production?
- Course roadmap? Planning first course?
- Planning and more planning is boring
- Maybe course roadmap is for later
- Let's deliver the promise of the course - how to make a good course!

# What's The Logic Flow?

- Planning first course & course quality
- Filming/creating course
- Promoting the course
- Long-term planning
